

## Self-Review – Task 1 IRR

### **Rubric Row 1: Understand and Analyze Context**

**1A.** identifies the area of investigation and how it fits into a complex problem

- Highlight (yellow) a sentence in the introduction that identifies the specific area of investigation in relation to that question.

**1B.** the report draws upon a wide variety of appropriate sources

- Highlight (pink) all academic sources used.

**1C.** clarifies how the investigation fits into the bigger picture

- Highlight (blue) two or three sentences that make clear the situation and significance of investigation. .

### **Rubric Row 2: Understand and Analyze Argument**

**2A.** demonstrates understanding of the reasoning and the validity (is it logical?) of the sources' arguments

- Circle sentences which show selection of valid/logical claims from the sources that support topic/thesis

**2B.** provides an explanation or detailed analysis of the line of reasoning

- Underline sentences that explain or analyze the line of reasoning behind the source information (demonstrate how claims are connected and evidence supports the claims).

### **Rubric Row 3: Evaluate Sources and Evidence**

**3A.** evaluate items of relevant evidence

- Box in areas that demonstrate use or explain the relevant evidence from sources. Label them **3A.**

**3B.** explains why sources are relevant and credible to support the argument

- Box in places where the credibility and relevance of sources/authors are explained. Label them **3B.**

### **Rubric Row 4: Understand and Analyze Perspective**

**4A.** includes a wide range of perspectives (points of view through argument)

- List and number the perspectives.

**4B.** draws explicit connections among those perspectives

- Highlight or underline sentences that draw specific connections among these perspectives. Label them **4B.**

### **Rubric Row 5: Apply Conventions**

**5A.** accurately attributes and cites all sources used

- Are ALL sources used cited? Is there a complete works cited or reference page? Is everything formatted correctly in MLA or APA style? Is it consistent? Match each in-text cited source with its entry on the works cited or reference page citation to be sure all are listed and cited.

### **Rubric Row 6: Apply Conventions**

**6A.** is appropriate for academic audience

- Is it written in 3rd person? Did you proofread specifically for grammar and style?

**6B.** clearly communicates to the reader

- Did you proofread specifically for clarity?
