End of Course Exam Part B

Directions: Over the last few weeks you have chosen FIVE SOURCES focusing on a theme or issue that connects them and the different perspective each represents. Today, you will use those sources to *write a logically organized, well reasoned, and well-written argument that presents your perspective on the theme or issue you identified*. You must incorporate at least TWO of the sources provided and link the claims in your argument to supporting evidence. You may also use other provided sources or draw upon your own knowledge. Attach your annotated bibliography and copies of sources. In your response, refer to the provided sources by the author's name and full title.

Use the RUBRIC Provided to guide your writing, and attach the writing guide you used to prepare. Attach both of those to your writing as well.

NOTE: Beware of careless mistakes that demean your ideas. These include proper use of caps, use of 2nd person, spelling errors and inappropriate writing informalities.
