## TRANSCENDENTALISTS

*"I am nothing. I see all."*

Nature is connection to  
Divinity

Self-Reliance and non-  
conformity is empowerment.

Creativity and imagination is  
highest form of Wisdom.

Innocent Eyes can appreciate  
beauty of nature.

Nature  
Technology

Individual  
Society

Imagination  
Logic

Innocence  
Sophistication

## DARK ROMANTICS

*"Nevermore."*

Nature is a cycle that  
always leads to death.  
Technology is terror.

Nonconformity is isolation  
and loneliness, but society  
is a torture machine.

Conflict between logic and  
imagination leads to  
madness.

Innocence is always  
threatened by Death and  
social conformity.
